**Course Website:** The course website is found by going to my homepage: <https://cs.valdosta.edu/~dgibson/>, and choosing the CS 1302 link which will display the course Schedule. The Schedule provides a list of exactly what we do in class, exams and quizzes, assignments, and due dates. It is your responsibility to check the Schedule regularly.

**Textbook:** The textbook is written by me and is available on the Schedule. We will follow my textbook in class, many times projecting it to the screen. I recommend that you print the chapters and take notes on them. There is strong statistical evidence that writing notes by hand increases the information you remember long-term<sup>1</sup>.
